About Eickhof Columbaria Inc.

Eickhof Columbaria has spent over 35 years developing a better way to engineer, design, and fabricate columbaria. Columbaria are above ground granite structures for the final resting place of cremated remains. We have an attitude that fosters a company culture of constant improvement and that attitude, along with our experience is the reason we have columbaria in nearly all 50 states. They're installed at churches, cemeteries, higher learning institutions, retirement communities, homesteads, and Buddhist temples.
